TO: All Alberta Players Born in 2002

WELCOME to Major Lacrosse!

Major Lacrosse encompasses all players who turn 17 as of December 31, 2019 (birth year 2002). We have two age groups: Junior and Senior. Junior Lacrosse is for players between 17 and 21 years old as of December 31, 2019 and Senior Lacrosse is for players who are over the age of 21, who still wish to play competitive lacrosse. The governing body for Alberta Major Lacrosse is the Rocky Mountain Lacrosse League (RMLL).

In 2019, there are 8 Divisions and 69 teams in the RMLL:

Senior B – 7 teams

Senior C – 10 teams

Junior A – 4 teams

Junior B Tier I – 15 teams

Junior B Tier II – 19 teams

Junior B Tier III – 2 teams

Senior Ladies – 5 teams

Junior Ladies – 7 teams

Each RMLL Division has a Commissioner who is appointed annually by the teams in a Division. The Commissioner is a Member of the RMLL Executive, represents their teams on the Executive and is responsible for administering their Division. All RMLL Divisions must meet the same standards and are treated equally. All games are 3 twenty-minute stop time periods, with 10-minute intermissions and minimum of 30-minute warmup.

Junior Tiers

Excluding the Jr. Ladies Division, we have 4 tiers of Junior Lacrosse: Jr. B Tier III (currently there are no Tier III teams in Alberta), Jr. B Tier II, Jr. B Tier I and Jr. A. The main difference between each tier is the increased level of play. For example: as players develop their skills, the game becomes faster, harder hitting and with each level game strategy becomes even more of an integral part of a team's success.

A player's time commitment also increases with each level as a Jr. B Tier III/Tier II player is most likely on the floor 2 to 3 times a week whereas a Jr. A player is on the floor 3 to 4 times a week.

The Jr. B Tier III and Tier II teams are the entry level teams for most first-year Juniors. In 2018, of the 218 first year Juniors who played in the RMLL, 16 played on a Jr. A team, 77 played on a Jr. B Tier I team and 125 played on a Tier II team. During the five-year span of Junior Lacrosse, players are encouraged to move up through the Junior Tiers as their skill level develops. The three Tiers of

Jr. B are responsible for player development and provide players with the tools to further their playing skills.

Registration

Registration in the RMLL is a two-step process

1. All first-year Juniors must register in 2019 with the club which has their first playing rights regardless if the Club only offers a Tier II team. This includes drafted and non-drafted players who may be trying out for Tier I and/or Jr. A. All Junior players attending higher level team tryouts, must keep the team/club they initially registered with appraised of their progress and must also try to attend floor times of that club/team. Players successful in making a higher-level team roster will have their full registration fee refunded.
2. All Juniors must complete a **RMLL Intent-To-Play**. A player cannot go on the floor with a RMLL team unless they have completed the Intent-To-Play. Go to this link for further information regarding the RMLL Intent To Play:
<http://www.rockymountainlax.com/Team/teamWeb.dll/PageContent?ContentId=86227&SessionId=2434330128315&co=1>
- 3.
4. **Note:** When you complete the RMLL Intent-To-Play, you will need to submit the ALA Player Registration of \$55.25.

Boundaries

Boundaries for the initial registration of a first-year Junior is with your Minor Club if your Club offers a Tier II team. If your Minor Club does not offer a Tier II team, then you are a Tier II Free Agent and may register with any Club offering a Tier II team.

If a player, in the last year of Midget, was given a one-year release from their Minor Club to play in another Minor Club, then the player's rights are held by the Club giving the release.

If a player, in the last year of Midget, was given a permanent release from their Minor Club to play in another Minor Club, then the player's rights are held by the last Club they played for.

Junior Entry Drafts

To assist with keeping the competitiveness of teams in a Division consistent, the Jr. A Division and the Jr. B Tier I Division hold annual Drafts. Each Division has a Graduating Midget Draft held annually before mid-February.

Graduating Midget Draft – At the end of each playing season, the ALA provides the RMLL with a list of all the Midgets graduating from the season just completed. This list is the Graduating Midget List. All players on this list are eligible for the Jr. A and Tier I Graduating Midget Drafts. Each of the Alberta Jr. A teams draft thirteen (13) players from this list. The Crude, Titans, Warriors and Rebels Jr. B Tier 1 teams may each draft up to twenty (20) players from this list, the Jr. B Tier I Rampage and Mavericks may draft up to eight (8) players from this list, and the Silvertips, Chill, Shamrocks, Mounties and Marauders Jr. B Tier I teams may draft up to fifteen (15) players from this list. For complete details re the Jr. A and Jr. B Tier I Graduating Midget Drafts, please refer to the section “Jr. A and Jr. B Tier I Draft Detail” found at the end of this document.

Rosters

In Major, each team can have a maximum roster of 25 players. The exception to this is Tier III, Sr. C and Sr. and Jr. Ladies. Tier III, Jr. Ladies and Sr. Ladies may have a maximum roster of 30 and

Sr. C 40 players. However, for all teams in all Divisions, you can only dress 20 players for each game. i.e. max 18 runners and 2 goalies.

Travel

All teams in Major lacrosse, regardless of the Division they are in, must travel. It's up to the policies of the individual teams whether buses are used for travel games.

Schedules

We try to have all Division schedules posted on the RMLL website by mid March. This gives players a six-week notice period in case they must arrange/re-arrange work schedules, etc. Depending on arena availability, we try to schedule weekday games against two teams in the same local area, leaving Saturday and Sunday for travel games. i.e. team travels or team plays a traveling team.

Player Development

Call-ups are an important piece of player development. The number of times a player can be a call-up during a season is unlimited. To encourage call-ups, each Tier has a set night for weekday games. Tier III is Tuesday, Tier II Monday and Wednesday, Tier I Tuesday and/or Thursday and Jr. A Wednesday and Friday. This allows a Tier III player to be a call-up for a Tier II team on a Monday and Wednesday, a Tier II player to be a call-up for a Tier I team on a Tuesday and Thursday and for a Tier I player to be a call-up for a Jr. A team on a Wednesday.

Governance rules in Major Lacrosse are different from Minor Lacrosse and policies may change from Division to Division depending on if a Division has their own Operating Policy. To help provide you with a little more specific information regarding each of the Junior Divisions, below is a summary for the Tier III Division, Tier II Division, Tier I Division, and the Jr. A Division.

Following the summary of all the Junior Divisions, is further detail regarding the Jr. A and Jr. B Tier I Drafts.
