

## **2015 Founders' Cup Calgary Alberta**

### **Hosted by the Calgary JR B Mountaineers Lacrosse Club.**

The 2015 Founders Cup may be the strongest field we have seen in a while.

All the games were close this year except a couple.

The competition on the floor was real good.

The host Committee Lead by Chair John Tyrrell did a excellent job all week.

They had lots of volunteers to start off with a welcome BBQ for all teams to start the Founders.

Then the followed that up on the Friday with a Stampede Breakfast for all the teams.

Calgary stepped up they had lots of volunteers to handle this week long Founders Cup.

All the games were played at the Max Bell Arena which was a perfect venue for the Founders Cup.

Transportation was real good as there were just a couple of teams to move around as it seemed most teams had there own bus for the week.

The Refs did a good job in letting the teams play.

I know the seven teams at this years' 2015 Founders Cup played hard all week long and they finished in this order.

Akwesasne Indians 7-0, Seneca War Chiefs 4-3, Calgary Mountaineers 4-3, Coquitlam Adanacs 3-4, Manitoba Blizzard 3-4, Saskatchewan Swat 2-5, Calgary Chill 1-5

The Lacrosse was played at a very high level all week and all the games were very entertaining.

The Final Sunday was set and it proved to be a good one.
