Senior Women's Division 2021

- Discussion on how to address the low number of players in Senior.
- Changing the Junior/Senior ages;
- Combining the Bandit and Titan players under a new banner;
- Combining the Attack and Cougars, will talk to the players and present the options;
- All teams would like to stay, but recognize player numbers is a large concern;
- All teams to reach out to players;
 - Numbers (firm numbers yes/no)
 - Level of commitment (full-time/part-time)
 - North/South players, open to combining with another team.
- Rage suggesting as a last resort, if they don't have numbers, combine with the opposing team players and have an exhibition game. Opposing team would get the point for the win, and Rage would still get to play.
 - Alex stated that would need to get identified ahead of the time, game would be scheduled as an exhibition game, not a league game.
- Rage also provided feedback on number games (6-8 games as opposed to 14 games) and to be scheduled on Thursday and Sunday evenings.
- Bandits suggested fundraiser/event in Red Deer to have a social event and advertise Senior Women's lacrosse
- Rage added in to have a mini-tournament combined with the fundraiser/event in Red Deer. The end of season event hosted by the Titans was very successful and was extremely competitive for all players involved (Senior and Junior).
- Cougars echoed the success of the end of the year event and the positive results of combining players from different teams and ages onto teams.
- Brooke Huber mentioned she will be stepping down as the Bandits Exec.

Follow Up

- Every team to canvass players and report back to Alex by Oct 30.
- Any ideas for survey questions send to Alex.

Motion to adjourn
