

2021 Return to Play

Senior C

This year 5 of the 9 senior C teams participated in some form of Return to Play exhibition games; Irish, Mohawks, Rage, Warriors, Silverbacks and the Stingers

Our RtP season consisted of individual ex games as well as crossover games in Olds for a total of 13 games.

The Irish faced off against the Mohawks for 6 games and the Rage traveled to Edmonton for a game against the Warriors. Six games were played between the Warriors, Silverbacks, Stingers and Irish in Olds.

Due to players being 'freer' to move about it is difficult to determine the number of players registered within our league this year.

We were fortunate that our division has no reported cases of COVID-19 and no games were cancelled as a result of contact with a positive case.

I am concerned that retention may be an issue for the teams who did not participate in an RtP activities as 2022 will be 2 years without play for these players. This is true for any team because there were many missing faces.
