a) An annual Franchise Fee will be assessed to each Franchise Holder for each Franchise held.

The fees so determined shall be subject to ratification by an ordinary resolution of the Members at the AGM and upon such ratification, the fees so determined shall become the annual Franchise Fees for Membership until the following AGM.

Proposed Annual Franchise Fee:

Motion: Be it resolved that the annual Franchise Fee for the Rocky Mountain Lacrosse League will be increased from \$800.00 to \$950.00.

Rationale:

The last increase to the RMLL Franchise Fee was in 2017. The annual Franchise Fee is our main source of income but only covers approximately a third of our annual operating expenses. With costs continuing to go up, without the \$150.00 increase per Franchise we will not be able to continue with our value-added programs, including programs for promotion, retention and development of coaches, players, and officials and will not be able to avoid a significant deficit budget.
