

2023 Larry Bishop summary Outlaws 2023

	Hi all please see below for our information on Larry Bishop summary, as with others in the past its very difficult to separate what monies came ini for what, all was added up and combined at the end of each day. The feed back we received was very positive. Thanks to all who participated
PROGRAM	125 ORDERED sold for \$2 each, given away by the final game but good.
GAME PASSES	Had day and tournament passes available. We had 2 entrances on Friday and Saturday to help with ticket sales lines. Accepted tap machine we purchased and cash.
LIVE STREAM	USED crow lax tv, Very good, upgraded the package for final, all streamed for free, highest views 1.3k for final. Sold sponsorship. https://www.youtube.com/playlist?list=PLala8UZ4fy93nXPcUWK6Qu8XIMNVplkU1
GAME MVP	25 game mvp cooler, 'player like Ports' \$40 each
MERCH	Ordered 20 crew necks, 20 hats , 20 t shirt PLUS we sent out team order form prior to tournament
VENDORS	3 food truck booked and parking lot, was ok but they didn't show up sunday as sales were too slow saturday. If we did again would have set up a food credit system with the food trucks for our volunteers instead of picking up food.
FIRST AID	Had volunteer EMS students supply first aid for all spectators, teams still provided own trainer supplied EMS Kit Bag -
HOTELS	booked and sent to ala
GAME VOLUNTEERS	We had asked all our families to volunteer min 3 shifts which worked well. Only issue was Game Box duties, only a few people were comfortable/experience working in the box so we had to switch gears and pay for those positions, WE WOULD STRONGLY RECOMMEND GETTING THAT SORTED OUT FIRST, PAID OR VOLUNTEER.
Mini Concession	Sold coke, diet coke, ice tea and water and bags of chips.
Beer gardens	Definitely worth it
Time keepers	
sports soft live	
Trophy presenter	RMLL commissioner Larry Bishop's wife presented the RMLL trophy and Tournament MVP. Duane Bratt presented ALA
