

Treasurers Report – 2024 Season

This year, as was last year, we saw success both on and off the floor. Our financial position continues to improve. We have a sound bank account and we are building our contingency fund that we presented last year. Our last casino payout was \$82,227 which will be used over the next two years to fund operations. The next Casino is scheduled for Q1 2025 with distributions expected around Q3.

With respect to our accounts receivable listing, at time of writing, we have not had a single team request a payment plan and fully expect all outstandings to be collected prior to the start of the AGM. It has been a long time since we could say we have all members paid up to date.

As I have done in every report I have filed over the years I have held this position I like to conclude with my thanks to all the volunteers of our members. Any organization is only as good as it's volunteers and we seem to have a lot of great ones. In addition, I would like to give special thanks the Board of Directors for their efforts to help steer the RMLL. Thank you "again" Chris for the countless hours keeping everything organized and running. Thank you Duane for your leadership and representing us at the ALA and National level, thank you to all the rest who without your dedication we wouldn't have a league at all.

Earl Caron,

Treasurer
