

Lacrosse Bio: Jared Ferris, Goalie Coach

[Last Updated: March 2026]

Jared grew up playing minor lacrosse with the Okotoks Mustangs and Raiders where he honed his skills and became one of the top U17 goalie prospects in the province. Drafted by the JrA Mountaineers and the JrB Marauders in 2017, Jared split his time between JrA and JrB before being traded to the JrB Shamrocks in 2018 where he settled in as their full-time starter.

The JrB Shamrocks proved to be a great fit for Jared as he went on to be one of the winningest goalies in franchise history between 2018 - 2021, including playing in the JrB National Championship Founders Cup in 2018 and 2019, winning in 2019.

Drafted by the SrB Airdrie Knights in 2022, Jared decided to take a break from playing the game but remained involved as the goalie coach for the JrB Shamrocks from 2022 - 2025, before eventually getting signed as a free-agent goalie by the Mounties Lacrosse Club in 2024, where he remains one of the leagues top goalies, while also maintaining the his role as a goalie coach with various programs including Mounties Academy Lacrosse and the RMLL Super Clinic.
